

If you are **travelling with WEAPONS and/or AMMUNITION**, please contact your airline for further details. You are allowed to take 2 hunting rifles per person, with 80 rounds of ammunition. Handguns (revolvers, pistols, etc.) are not allowed. Furthermore, you are obliged to be in possession of a valid firearms license, an invitation from the hunting farm in Namibia as well as the import permit for customs and excise clearance of the weapons. The corresponding form can be obtained from the Embassy ([download here](#)) or upon arrival in Namibia at the customs and excise office at the point of entry. *Read more about [hunting in Namibia](#)*
